

Dyersville, IA

Recycling toter placement:

Each residential household will be given one recycle toter on the day specified on the attached calendar.

Pick up of the recycling toter will begin two weeks after delivery and continue every other week thereafter. See calendar.

The recycling toter must be placed curbside by 7 am on the specified collection day. The cart should be placed a maximum of 2 feet behind the curb and visible for crews for safe collection. The wheels/handles on the toter must be facing the house and the opening of the lid must face the road. Please keep the toter away from mailboxes and other obstructions/containers. Please see photo for proper placement.

All recycling must be placed inside, loosely in the toter. No need to bag any recycling. All items must be able to flow freely out of the toter. Please do not pack tightly.

Trash toters will be delivered at a later date to be determined.
