

## **Bi-County Ambulance Receives DRA/Mystique Grant And Acquires Zoll Auto Pulse**

With the assistance of a grant in the amount of \$10,000 through Mystique Casino and DRA Bi-County Ambulance acquired a Zoll Auto Pulse. This piece of equipment was recently purchased and members trained on the utilization of the device. The Auto Pulse is a device that is placed under the patient in the event of a cardiac arrest and chest compressions are performed by the apparatus allowing the patient care provider to safely remain seated during transport of the patient. Through scientific research it has been evidenced that survival of cardiac arrests has increased and the quality of CPR has been improved by the utilization of the Zoll Auto Pulse. Bi-County Ambulance volunteers are pleased to be able to implement this progressive equipment to its patient care modalities.
